

AMRITSAR FLAGSHIP PITCH

HIGH-END RETAIL COMMERCE & STORE MANAGEMENT

VISHAL APPLE STORE

A bespoke digital retail storefront and autonomous admin control panel built specifically for Vishal Apple Store in Ranjit Avenue, Amritsar.

📍 Shop No. 14, Ranjit Avenue, Amritsar

⚡ Next.js App Router + TypeScript

📱 Mobile-First WhatsApp Funnel

Retail Strategy & Core Value Proposition

Tailored to how Punjab and Amritsar customers research and purchase premium Apple hardware.

STRATEGIC ARCHITECTURE

PILLAR 1

Brand New Sealed

Direct authentic Indian distribution (HN/A) with manufacturer warranty, full GST billing, and on-spot activation support at the Ranjit Avenue store.

PILLAR 2

Pristine Unboxed

10-15% value discounts on 14-day open-box units with 10-11 months official warranty remaining, verified zero blemishes and 100% battery cycles.

PILLAR 3

40-Point Pre-Owned

Every certified pre-owned unit undergoes full component diagnostics: genuine parts check, 94%+ battery health guaranteed, and 6-month store warranty.

PILLAR 4

WhatsApp Conversions

No clunky checkout drop-offs. Every product card and calculation pre-fills an instant WhatsApp inquiry message directly connecting to the store desk.

Why this beats standard e-commerce templates:

Customers in high-ticket electronics require trust, condition verification, and direct phone/WhatsApp human touch before transferring funds.

100% Tailored

Zero generic templates

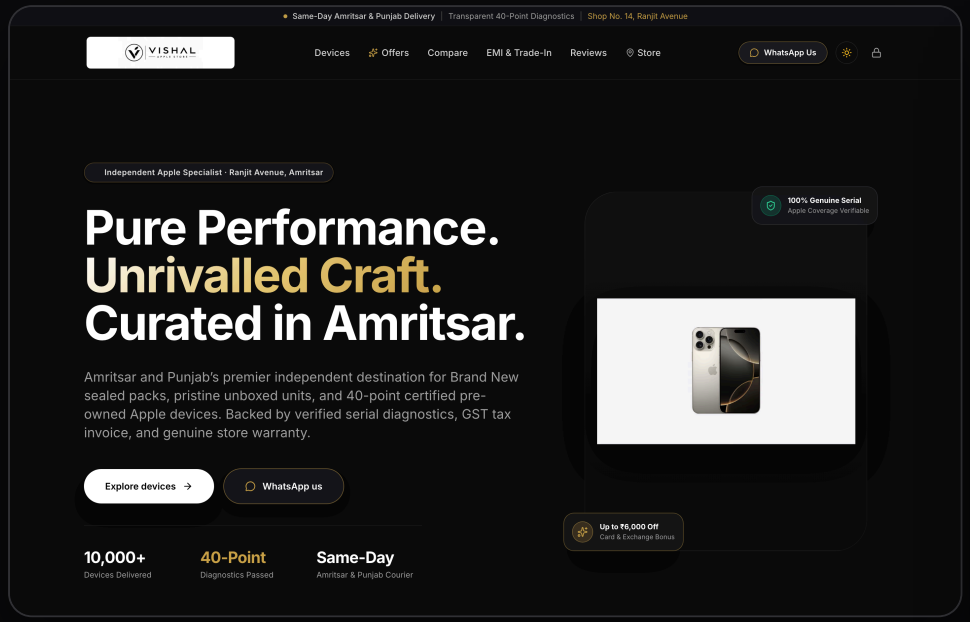

The Storefront Hero — Dark & Light Theme Mastery

Stunning visual impact with official Apple stock photography and instant responsive theme switching.

DESIGN AESTHETICS

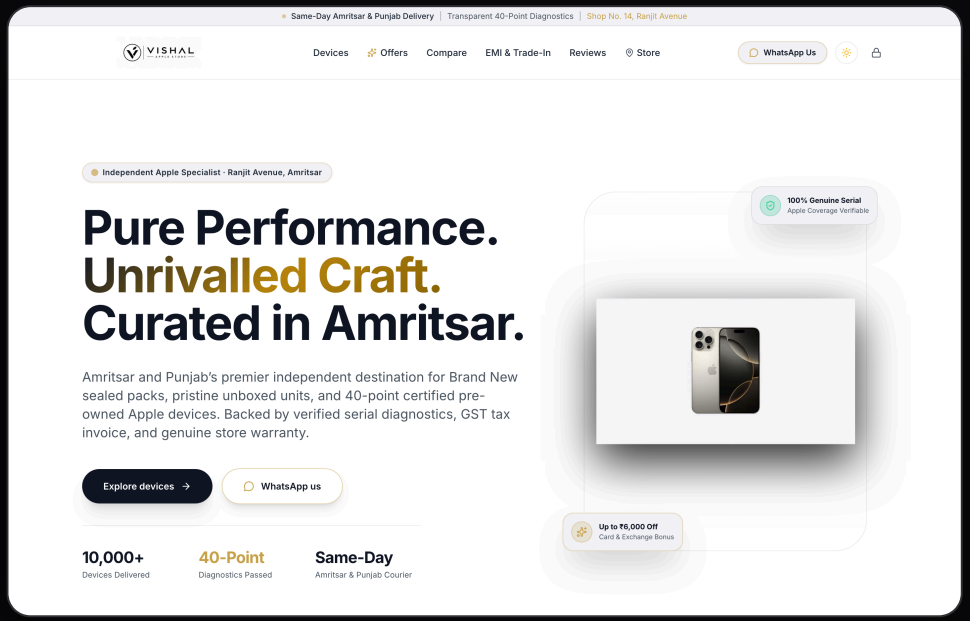

🌙 Executive Dark Theme (Signature)

Warm Gold Accent · High Contrast

☀️ Apple-Grade Light Theme (Crisp White)

Clean White & Light Grays · Zero Color Flaws

✓ **Official Transparent Renders**: Real titanium iPhone 16 Pro renders isolate naturally over dark and light canvases.

✓ **Original Headline**: "Pure Performance. Unrivalled Craft. Curated in Amritsar."

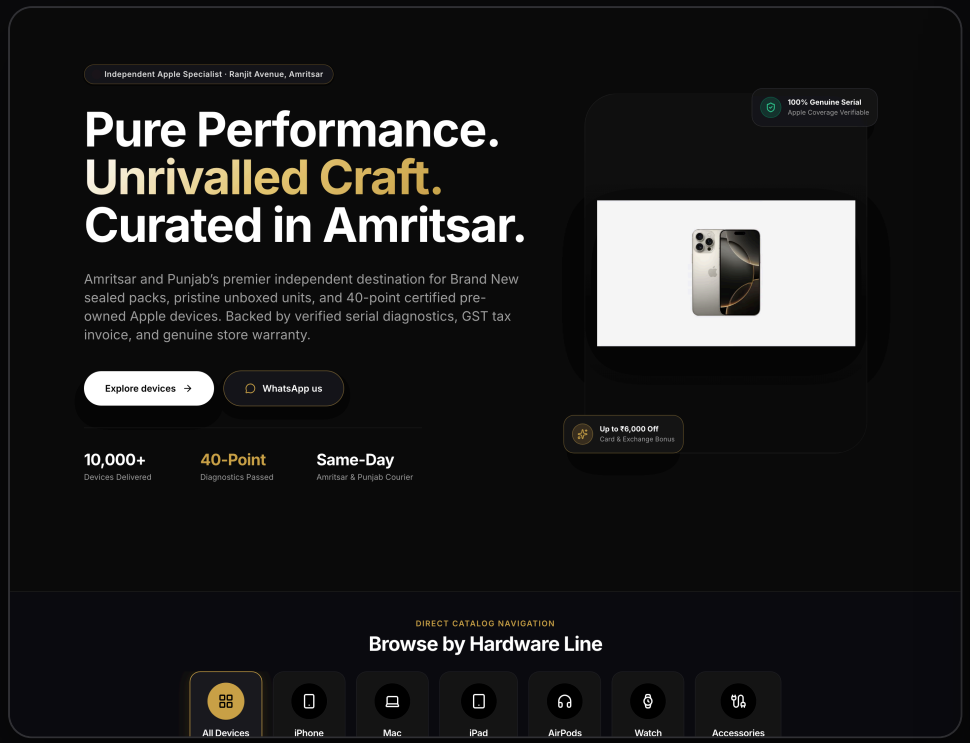

✓ **Dual Action Triggers**: Smooth scroll to live catalog + direct WhatsApp consultation.

Catalog Filtering & Transparent 40-Point Diagnostics

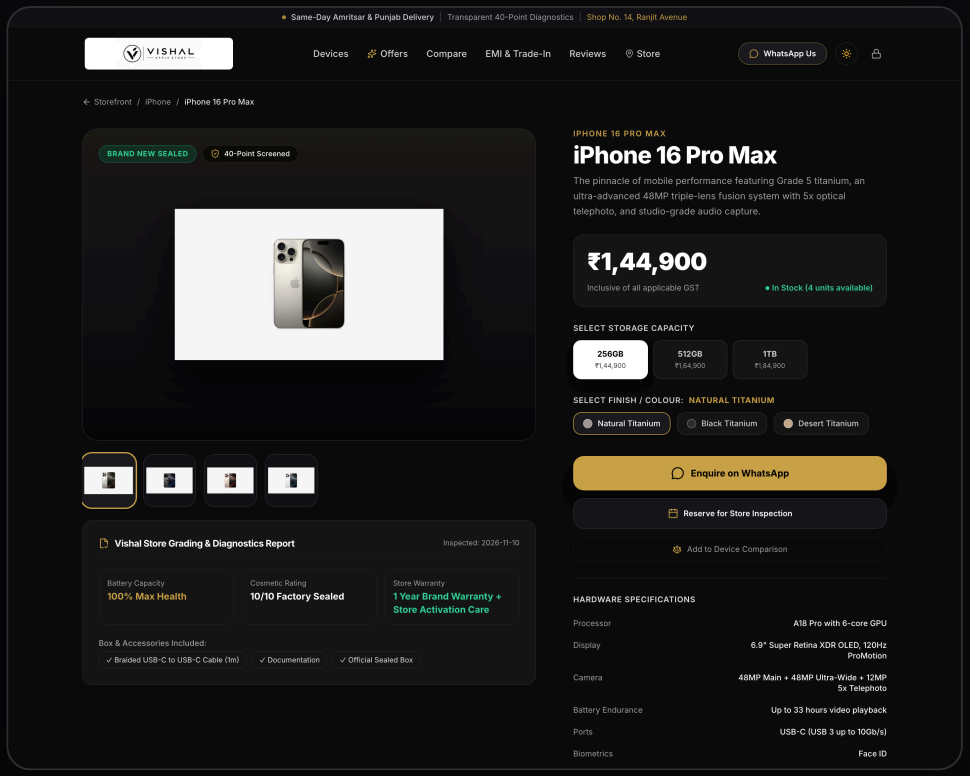

Giving customers total confidence with battery health transparency and multi-finish gallery.

TRUST ENGINE

Hardware Category Strip & Filter Suite

Product Detail Page with 40-Point Grading Card

✓ **Dynamic INR Pricing**: Live variant selectors update prices (₹1,44,900) and stock counts instantly.

✓ **Grading Transparency**: Battery capacity %, cosmetic grade, and included accessories clearly stated.

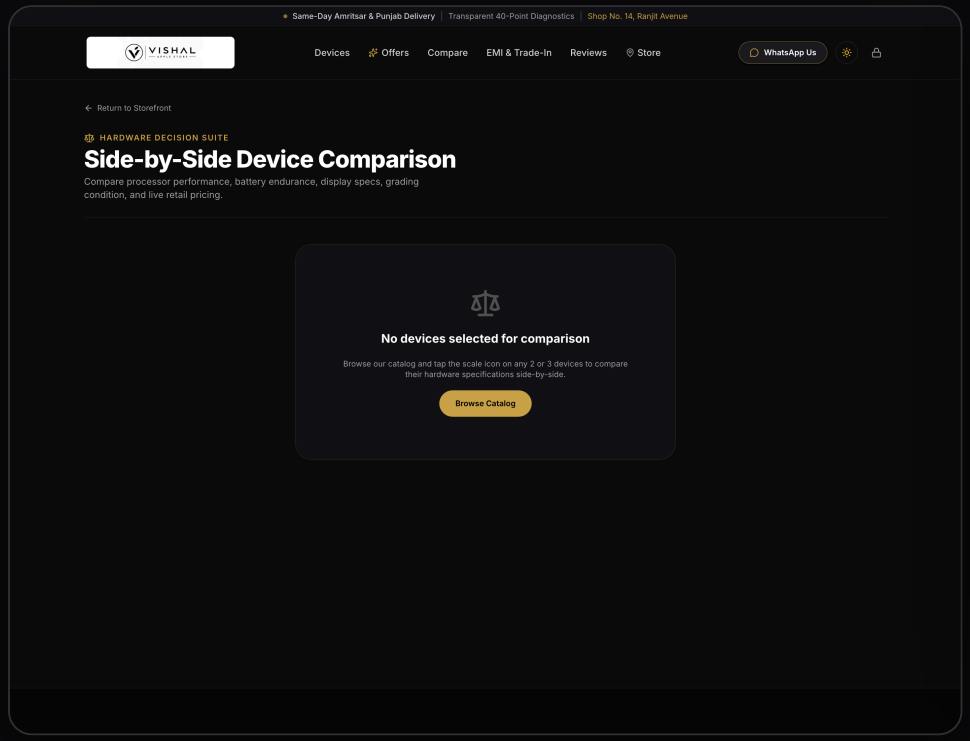

✓ **Finish Gallery Strip**: Customers can tap through Natural, Black, Desert, and White Titanium views.

Decision Tools: Hardware Compare, EMI & Trade-In

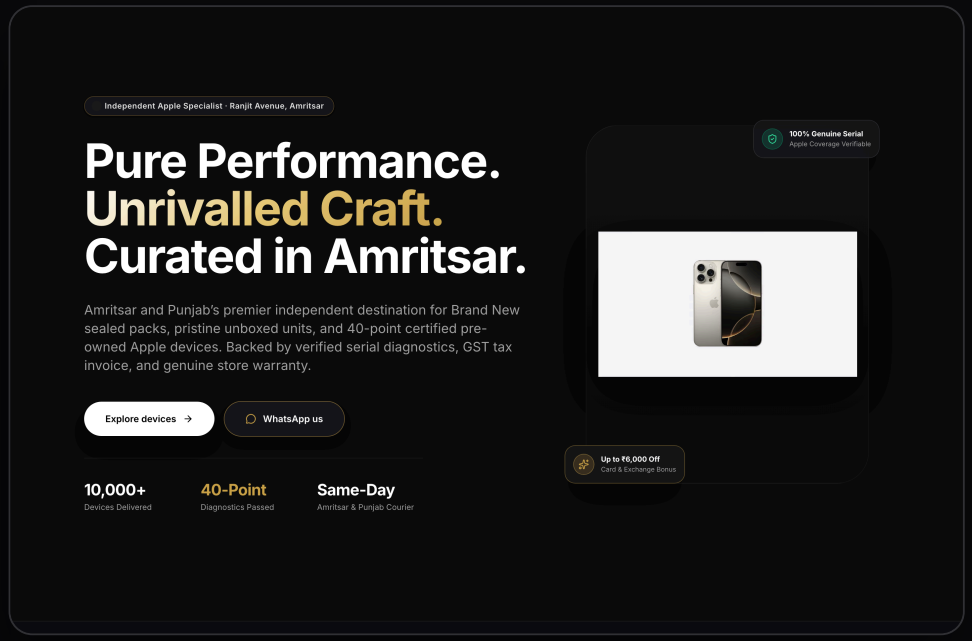

Interactive tools that remove purchase hesitations and encourage immediate upgrade decisions.

CONVERSION SUITE

Side-by-Side Spec Comparison Matrix

Interactive EMI & Trade-In Value Estimator

✓ **Compare 3 Devices**: Evaluates chip, camera, display type, and price differential side-by-side.

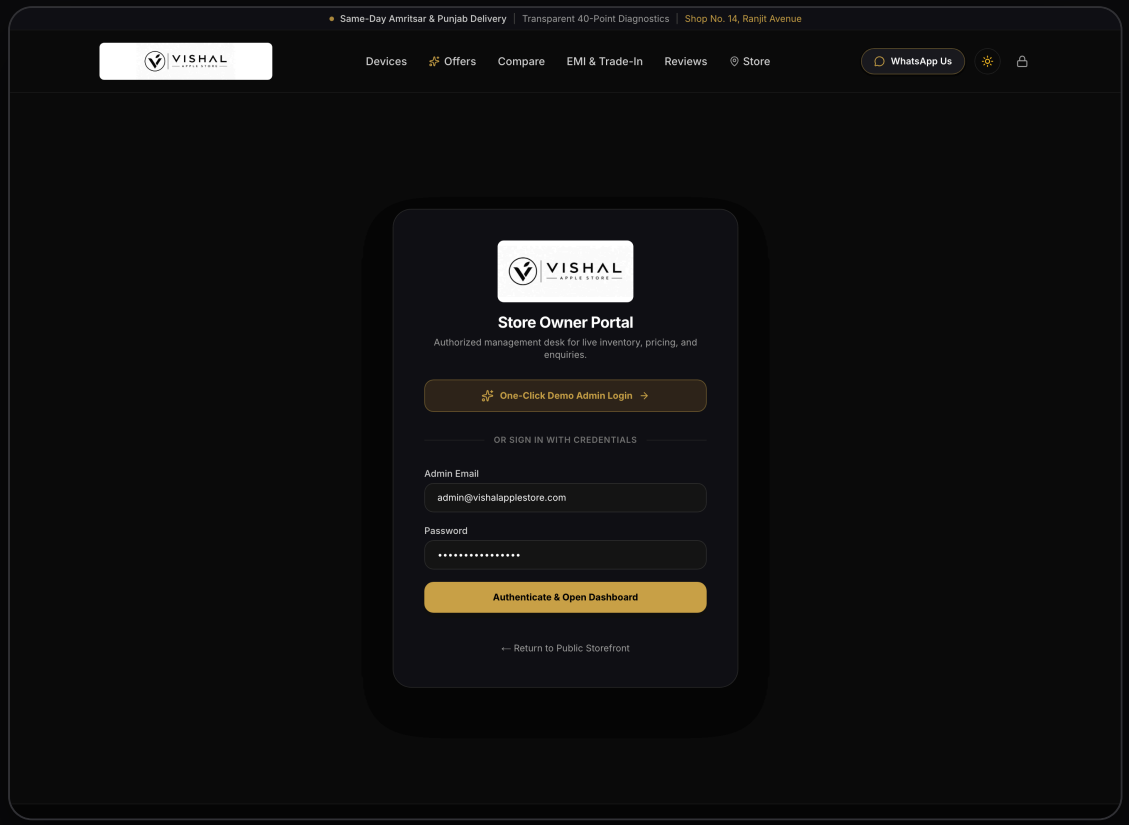

✓ **Smart EMI Calculator**: Tenure slider (3 to 24 mos) with No-Cost EMI calculation for credit cards.

✓ **Trade-In Valuator**: Instant estimated exchange value for older iPhones with 1-click upgrade inquiry.

Store Owner Control Portal (/admin)

Manage pricing, inventory, live offers, and customer enquiries without touching any code.

ZERO DEVELOPER DEPENDENCY

⚡ Inline Quick Edit Table

Change prices and toggle in-stock / out-of-stock with immediate reflection on the public storefront.

📥 Customer Enquiries Inbox

All website forms, trade-in requests, and device reservations logged with 1-click WhatsApp reply button.

🏷️ Offers & Review Approvals

Schedule festive discounts, banner promotions, and approve verified customer testimonials on the fly.

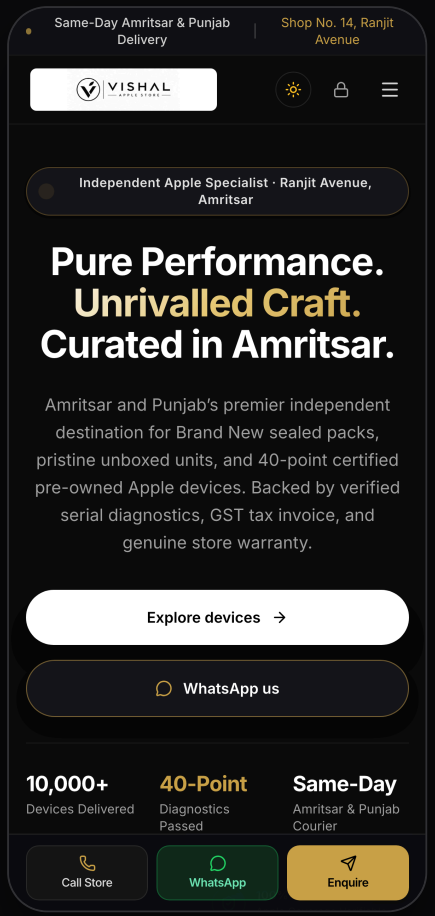

📍 Amritsar Store Settings

Update opening hours, contact numbers, and Instagram handle in one central place.

Mobile-First Excellence & Technical Specifications

Optimized for Instagram ad traffic, local Google search, and seamless Amritsar footfall.

LAUNCH READY

Sticky Mobile Conversion Dock

Most customers arrive via Instagram or Google Search on smartphones. The bottom action dock provides 1-tap **Call Store**, **WhatsApp Consultation**, and **Quick Enquiry**.
